### OPTIONAL SERVICE 3 · PREMIUM ADDRESS

## Premium address

A genuine rental agreement with a Georgian landlord and a real rental relationship — the strongest proof-of-address solution for banking and KYC.

| Premium address                             | Price                 |
|---------------------------------------------|-----------------------|

### What you get

Rent is EUR 100/month, paid one year in advance (EUR 1,200) directly to the landlord, and the agreement is renewable each year. Your client has exclusive use of the address — it is not shared with other clients — and benefits from a robust, long-term KYC setup. We first confirm landlord availability with our local team before requesting payment.
